

UNLOCKING STUDENT POTENTIAL INVEST IN STUDENTS AT UT

Generosity from donors like you provides the experience students need to change the world.

The University of Texas at Austin has long been a destination for our nation's future leaders. Your investment in scholarships will allow UT to be competitive with other nationally ranked schools and recruit and retain top talent — students who are among the top in Texas and around the country.

RECRUITING STUDENTS WHO WILL CHANGE THE WORLD

UT is committed to enrolling the most talented Texans at the flagship university while recruiting exceptional students from across the country and around the world.

We want to attract students who have leadership potential, who have persevered despite obstacles, who can add vigor to life on campus, and who can improve their communities and change the world. To recruit these exceptional students, we must have financial resources to offer significant scholarships.

Your gift to support scholarships will have a lasting impact.

High-achieving students will receive a life-changing education, realize their potential and thrive long after they leave the Forty Acres.

RICKY COOKS
Canfield Business Honors Program

*Supported by Beverly & Will O'Hara
Through the Stamps Forty Acres Scholarship
Chevron Enrichment Award*

"My scholarship offered me once-in-a-lifetime experiences that I never knew were out there. I'm being given the resources to truly live up to the university's motto — to change the world."

GABBY CRANK
Plan II & Canfield Business Honors Program

Supported by the Bernard & Audre Rapoport Foundation

"All of the support from our alumni and donors is overwhelming. If we can dream it, it's possible — and it's because of them."

GIVE THE GIFT OF A UT EDUCATION TO OUTSTANDING STUDENTS

- **Create a scholarship** that will support generations of Longhorns.
- **Recognize an outstanding student** with a scholarship to cover the full cost of attendance.
- **Close the gap** between a student's financial aid award and the cost of attendance.

HOW TO CREATE OR SUPPORT A SCHOLARSHIP AT UT

- 1 Explore ways to make a gift at giving.utexas.edu/ways-to-give. Your gift can be given outright or pledged over a period of years. Gifts of cash, appreciated securities, real estate, retirement plan assets, and more can all go toward scholarship support.
- 2 Consider whether you'd like to establish an endowment or make an outright gift. An outright gift provides immediate, life-changing support for one or a few students, while an endowment guarantees permanent scholarship support for generations of future Longhorns.
- 3 Imagine the impact you'd like to have. Do you want to provide full-ride scholarships? Support as many students as possible? Give a college, school or department the ability to offer scholarships to all its students? A gift officer can help you plan the best way to make and structure your gift to reach your goals.

TAKE THE NEXT STEP TO SUPPORT STUDENTS

Your investment will unlock student potential. To learn more, contact:

MAKE A GIFT TO SUPPORT SCHOLARSHIPS

A gift of any size, made in any way, can be designated to support scholarships. Gifts of \$50,000 and above can establish a scholarship endowment, a permanent fund that is invested, grows over time, and can generate approximately 5% of its principal for scholarships.

Support high-achieving students through scholarships

GIFT OF ANY SIZE

Establish a scholarship endowment to support students

\$50,000

payable over five years

Cover tuition for one high-achieving student per year

\$250,000

payable over five years

Provide a half-tuition scholarship

\$125,000

payable over five years

Award one student a scholarship for the full cost of attendance annually

\$550,000

payable over five years
